Lead Safe Lima

West Ohio Community Action Partnership has a Lead Safe Home Program which offers assistance to low- and moderate-income families, as well as rental property owners, in making their homes lead-safe for children. The applicant's home will be tested for lead-based paint and if found, staff will make a plan with the owners to remove the lead. A limit of \$20,000 per home is the maximum allowable assistance.

A pre-application is available on our website www.wocap.org
